

Easter Egg Finger Painting

1. Print both sheets of paper
2. Cut out the black egg outline below, and around the cross.
3. Place this sheet of paper over the top of the other sheet.
4. Kids dip their fingers into colourful paint and put their finger prints on the egg to create a beautiful egg cross.

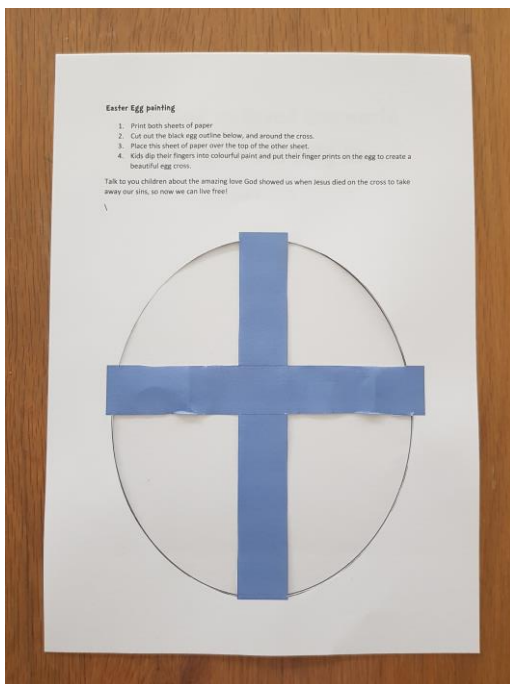

Talk to you children about the amazing love God showed us when Jesus died on the cross to take away our sins, so now we can live free!

\

Cut out the egg around the border, leaving the cross in the middle.

Place cut out sheet over the second sheet. Tape into place, and start finger painting!
