

T4, W5 Primary Craft – Pinwheels

What you will need:

- Straw
- Fancy paper
- Scissors
- Hole Punch
- Paper Fastener

What to do:

1. Cut along lines on fancy paper. DO NOT go all the way into the middle.
2. Hole punch holes into marked corners with a dot
3. Fold (don't crease) the corners with the holes into the middle and push paper fastener through the middle
4. Push paper fastener through the hole in the straw, and fold ends to secure in place
